

FloorBridge® Cleaner 12

Cleaner

Description

Cleaner and activator for smooth surfaces.

Application

FloorBridge® Cleaner 12 is used to clean and improve the adhesion of the FloorBridge® Connect 12 hybrid adhesive to smooth surfaces such as FloorBridge® expansion insert and FloorBridge® joint profiles.

Product data

Colour transparent

Packaging 250 ml

Technical data

Relative density approx. 0,7 kg/litre (20°C)

Viscosity <20,5 mm²/s (40°C)

Storage conditions / Shelf life

12 months in original packaging in cool, dry and UV-protected storage

Application instructions

Stir or shake FloorBridge® Cleaner 12 well. Apply undiluted with a brush to the cleaned and dry adhesive surfaces, wiping with a cloth is mandatory. Protect treated surfaces from moisture and dust. After sufficient ventilation time, the hybrid adhesive (FloorBridge® Connect 12) can be applied.

Ventilation time

The ventilation time of at least 15-30 minutes (at 23°C / 50% relative air humidity) must be observed. The ventilation time should not exceed 3 hours, otherwise the adhesion improvement due to impurities (e.g. dirt, dust, etc.) can be diminished.

Instruction for use

Cleaner/Activator are film-forming and cannot be removed after curing. Therefore, apply carefully to avoid contamination (yellow discoloration, stain formation, etc.).

Details such as bonding of the expansion insert

See installation manual!

Occupational health and safety

Cleaners contain highly flammable, harmful solvents. Avoid inhaling the fumes. Keep away from ignition sources. Don't smoke at work. Don't let them get into the hands of children. Observe the information given in the material safety data sheet!

Value Base

All technical data listed in this product data sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

Legal notes

The information, and in particular the recommendations relating to the application and end-use of FloorBridge® products, are given in good faith based on the current knowledge and experience of FloorBridge® International GmbH about the products, and apply if properly stored, handled and under normal conditions in accordance with FloorBridge® International GmbH recommendations. In practice, the differences in materials, substrates and deviating working conditions are so substantial, that FloorBridge® International GmbH shall neither accept any warranty nor liability for a particular merchantability or suitability for a particular purpose, neither derived from this information nor from a written recommendation or any other advice offered. The user of the product must verify the product's suitability for the intended purpose of use. FloorBridge® International GmbH reserves the right to change the properties of its products.
